

# VETERAN-FRIENDLY ORGANISATIONS FERMANAGH AND OMAGH

---

Through our links in the community, voluntary, private and statutory sectors we have identified Veteran-friendly organisations in Northern Ireland that welcome Veterans to join in and take part in their activities. From archery to golf, embroidery to filmmaking, there are activities on offer to suit everyone's taste.

Some of these organisations have received direct funding to offer Veteran-specific programmes, others run year-round activities that are also open to the public.

If you'd like to find out more about what's on offer, please get in touch with us, or contact your Veterans' Champion who can signpost you to activities in your local area.

Northern Ireland Veterans' Support Office

The Northern Ireland Veterans' Support Office is the lead support and signposting service linking individual Veterans, Veterans' groups, statutory and non-statutory bodies, and charities supporting Veterans in Northern Ireland.

We build the capacity to deliver the Armed Forces Covenant - the Nation's commitment to Veterans. It is a pledge that ensures Veterans and their families have access to a wide variety of support and are treated fairly.

We educate key players within local communities regarding the needs of Veterans, offering solutions to problems, suggestions and ideas, advocacy, signposting and practical help.

We work collaboratively with the Office of the Veterans' Commissioner for Northern Ireland, and support individual Veterans, their families and carers, as well as groups and organisations that provide a range of support services and activities for Veterans.
